# Walk for Nature

Join Hamilton's environmental community for a 5 or 10km walk along the beautiful north shore of Cootes Paradise and raise funds to protect nature. The 10km walk will take you to one of Hamilton's magnificent waterfalls, Borer's Falls. During your walk, practice your sleuthing skills with Hamilton's first Nature Quest. Upon your return, get close to raptors (birds of prey such as hawks and owls) and take a tour of RBG's Nature Centre which will have fun activities for children and interactive displays from local environmental groups.

**How to get there?** Address is 16 Old Guelph Road. From Hamilton, head west on York Blvd., go past Dundurn Castle and shortly after crossing the High Level bridge take the first left turning lane onto Old Guelph Road. You will see the signs for the R.B.G. Arboretum at this turn. Travel 800 metres and the entrance is on your left. From Burlington, head west on Plains Rd. / York Blvd. and turn right onto Old Guelph Road before the High Level bridge. You will see the signs for the R.B.G. Arboretum at this turn. Travel 800 metres and the entrance is on your left.

**A thank you gift is provided for all walkers who raise more than \$110.00. Special prizes for the top fundraisers! Free refreshments for everyone!**

## **SUPPORT THE PARTNER ORGANIZATION OF YOUR CHOICE**
