

Hamilton Naturalists' Club Celebrates 90th Anniversary!

Protecting Nature Since 1919

Support the Head-of-the-Lake Land Trust \$90K for the 90th

The Head-of-the-Lake Land Trust is the Hamilton Naturalists' Club's (HNC) natural areas protection program and this year we would like to raise funds to permanently protect greenspace.

The goal is to raise \$90,000 in 2009 for the HNC's 90th anniversary.

We are looking for 90 people to each commit to a donation of \$1,000 towards our next greenspace project. We have already received commitments from 6 club members towards this goal. Your \$1,000 donation can be made in a lump sum, \$500 this year and next or \$30 a month over the next 3 years (\$1 per day). A contribution of any amount towards our goal will be greatly appreciated.

Visit the HNC's website at <http://www.hamiltonnature.org/aboutus/donations.htm> to make an online donation through PayPal or CanadaHelps, or complete the attached form.
